Boat Storage Rules:

All watercraft and associated trailers left on FWPA property for more than 72 hours must be registered with the FWPA board, and have the appropriate storage fees paid in full, before the end of those 72 hours. ~ A storage grace period of 1 January to opening day will be applied when the vehicle was registered in the prior year.

1. All such vehicles will have the responsible member's name and/or membership number visibly and clearly marked or labeled near the bow/front.
2. In order to optimize the use of available parking area, the Board of Directors reserves the right to assign parking spaces.
3. As grounds-keeping is mostly done on a volunteer basis, members are responsible for keeping the grass, and other vegetation around their stored watercraft, trailers, and other vehicles trimmed to a neat appearance.
4. No vessel may be moored or anchored within 200' of the FWPA pier in excess of 48 hours.
5. To avoid a "junkyard" appearance, vessels which are, in the opinion of the FWPA board, derelict and/or unseaworthy may not be stored on FWPA property. Those undergoing repairs and maintenance for a reasonably period will be kept appropriately covered.
6. No cars, RV's, or campers may be stored on FWPA property.
7. The FWPA may remove and dispose of those boats, trailers, and vehicles in violation of these rules at the owner's risk and expense.
8. All boats over 9', other than canoes, kayaks, or sailboards must be stored on a working and towable trailer. Trailers must have a current motor vehicle registration plate and sticker.
9. Any exceptions to the above rules must be approved, in advance, by the FWPA board.
10. Violation of these rules may result in loss of FWPA membership.

I (We) wish to apply for boat storage at the FWPA. I (We) agree to abide by the above stated rules and understand that violation of these rules could result in the suspension of boat privileges at the FWPA. I (We) understand that storage of our boat is at the discretion of the FWPA. Enclosed is the amount of \$_____ for the above listed boat(s). I (We) acknowledge and accept that FWPA bears no liability for personal property, including any watercraft, trailers, or vehicles stored or left on FWPA property.
